Communication: none

TO: TOWN ASSEMBLY OF ARDEN
FROM: TRUSTEES
DATE: MARCH 27, 1995

- 1 - Cash and investments on hand as of February 28, 1995 were as follows:

Interest bearing bank balance.....	\$ 67,351.10
Arden Building & Loan shares.....	40,000.00
	<hr/>
	\$107,351.10

- 2 - Effective April 1, 1994, annual expenditures for staff salaries & office rent will be as follows:

Administrative Assistant.....	\$6,360
Secretary.....	\$2,136
Office rent.....	\$2,100

The above represents a total increase of slightly more than one (1) percent over last year.

- 3 - The saga of Mr. Lockerman's burned house at 2311 Walnut Lane continues. In spite of his commitment to proceed to a zoning hearing on March 9, and then to bulldoze the remainder of the structure within two weeks thereafter, regardless of the hearing results, no action has taken place. As a matter of fact, Mr. Lockerman cancelled his request for the zoning hearing sometime during the afternoon of March 6. It is somewhat disconcerting, and may forebode a lack of future cooperation, that on the evening of that same day he appeared at an Advisory Committee meeting to discuss his problem and never mentioned the hearing cancellation, knowing full well that we were planning to attend.

In any event, it is our understanding that Mr. Lockerman is still under an order from the County office of complaints that he is to either obtain a building permit and commence reconstruction, or else raze the structure, within 30 days of the March 9 hearing date.

- 4 - Both the Village financial report and the Trustees' position paper on the Lockerman property, are a part of this report and can be read or discussed upon request from this Assembly.

Respectfully submitted,
Trustees of Arden

TRUSTEES OF ARDEN
2111 ORLEANS ROAD
ARDEN, DE 19810
(302) 475-7094

To : New Castle County Board of Adjustment
From : Trustees of Arden
Date : March 9, 1995
Re : Request for variance by Robert W. Lockerman for property at 2311 Walnut Lane;
Arden, Delaware. (parcel # 1600.400.651)

The Village of Arden, originally surveyed and constituted on May 30, 1900, was incorporated on October 13, 1967 by an act of the General Assembly of the State of Delaware. At that time, the Village relinquished responsibility for its own zoning and ceded that authority to New Castle County.

The County wisely determined that the Village should be zoned "single family residential", and has maintained that position to the present day. The Trustees of Arden, together with a majority of the residents, strongly agree with that position.

Accordingly, the policy of the Trustees has been to oppose any requests for variances which would weaken the "single family residential" status, and to encourage reversion of any non-conforming structures to that status. On that basis, we oppose, in principle, Mr. Lockerman's request for a variance.

The above notwithstanding, we are cognizant of a number of "grandfathered" structures which pre-date Oct. 13, 1967, and realize that the property at 2311 Walnut Lane is one of them. We further realize that the structure was destroyed by a lightning strike in 1994, an event certainly beyond Mr. Lockerman's control.

We ask, therefore, that the Board make a determination on Mr. Lockerman's legal rights in this matter, rights with which we certainly have no intention of interfering, and to rule accordingly.

With respect to those rights, it is our understanding that County Code Section 23-21 provides for the preservation of non-conforming status so long as 25% or more of the original building exists. We have no knowledge of the insurance settlement made on this structure. It appears to us, however, that Mr. Lockerman should be able to claim that 25% or more remains only if his insurance settlement was 75% (or less) of the value of the structure. It would appear incongruous to have received more than 75% in settlement and still claim that 25% of the building still exists.

We request that the above be taken into consideration in determining Mr. Lockerman's legal rights in this matter.

Respectfully submitted,
Trustees of Arden

ARDEN ADVISORY COMMITTEE REPORT

March 27, 1995

The Advisory Committee met on March 6 to discuss the agenda of the March Town Assembly. The primary order of business will be the election of new committee members and town officers.

The second reading of the revised Ordinance 13 is scheduled for the March meeting. Once the final version of the Ordinance is in place, violators will receive a copy of it along with their first citation.

There was a brief discussion of the to-be-announced ad hoc Centennial Committee. Assembly Chairman expressed his preference to have one representative each from Archives, Civic and Community Planning Committees in addition to other members from Arden.

Budget Committee plans to present the 3-year projected budget at the March meeting.

There was some discussion of the disposition of Mr. Lockerman's request for a variance to a New Castle County zoning ordinance.

The meeting adjourned with a reminder that the June 5 Advisory Committee Meeting will host the 3rd Annual Pot Luck Dinner to welcome new committee members/town officers and to thank those who will be continuing their membership on our various standing committees.

Respectfully submitted,

Judy Butler, Advisory Chair

TOWN ASSEMBLY OF ARDEN

3/27/95

The Arden Archives plans an Arden Crafts Exhibit, opening on May 20 & 21 to celebrate Arden Day. There are indications that the American chapter of the William Morris Society will be visiting Arden at that time, but that rumor is yet to be confirmed. If you have something, either your own or a historical work, please let us know.

Linda Eaton is helping the committee preserve some of the old costumes from the Shakespeare loft.

Pat Liberman and I will be doing an Arden history presentation at Karin this coming Friday.

If the fancy takes you some Sunday afternoon to visit the Archives museum and you find it locked, please contact a member of the committee. We have not always been assiduous in our museum sitting duties - it is dispiriting when no one comes to call - but we respond eagerly when someone makes an appointment.

Sally.

VILLAGE OF ARDEN ORDINANCE #13

- Section 1. Purpose. Arden has had a policy of encouraging leaseholders to provide off-street parking ON their leaseholds. The ordinance makes this policy a requirement.
- Section 2. Every leaseholder in Arden shall provide parking space on the leasehold and off the roads and rights-of-way of Arden to accommodate every vehicle regularly used by persons living on the leasehold.
- Section 3. All residents must park ON the leasehold and NOT on the streets or rights-of-way in Arden.
- Section 4. Habitual overnight parking (SUCH AS THREE times a week) on Arden street rights-of-way is prohibited.
- Section 5. The Community Planning Committee shall administer this ordinance and shall, along with members of the Safety Committee, issue up to three warnings to violators of this ordinance prior to notice of prosecution. ACOPY OF THIS ORDINANCE WILL BE ISSUED WITH THE FIRST NOTICE OF VIOLATION.
- Section 6. The Community Planning Committee may grant an exemption from the requirement of this ordinance to any leaseholder the committee determines is unable to comply because of lack of land or road frontage. Such exemption shall be in the form of a written statement to be filed with the Secretary of the Town Assembly and the ADMINISTRATIVE ASSISTANT TO THE TRUSTEES
- Section 7. Violation of this ordinance shall be punishable by a fine of \$100. due within fifteen days from notice of prosecution, PAYABLE TO THE VILLAGE OF ARDEN
- Section 8. Appeals to this ordinance should be made prior to the third notice of violation. Appeals to this ordinance after the third notice of violation will not waive the imposition of fines and costs.

Buzz Ware Village Center Committee Report for March 27, 1995 Arden Town Meeting

Our committee will report tonight on programming, some building maintenance and improvements, and daycare update.

Programming

The yoga group meets every Monday. Call Naomi Clark (-2608) for information.

On Saturday, January 28, the second session of a Red Cross Baby-sitting Course, co-sponsored with ACRA, was held. The 12 graduates of the course were listed in the Arden Page. Thanks again to Cecilia Vore and ACRA for organizing this event.

On February 11, our committee sponsored our first "Movie Night". About 17 residents turned out to enjoy popcorn and the film "Blow-up". Consequently, the slang word "fab" has been reintroduced to the Arden vocabulary. Last Saturday, March 25, about the same number of residents watched "The Day the Earth Stood Still". Ask Rodney Jester to quote you the famous line from that film. Perhaps it is no surprise that we have been getting audience participation at key points in the dialogue. By request, on Saturday, April 29, we will be showing the film, "Blue" which is part one in a trilogy, directed by Krzystof Kielowski. At the 1993 Venice Film Festival, "Blue" won first prize for film and actress. Please call Mark Taylor (475-1745) for more information.

On February 12, we held our 6th Annual Valentine Making Session. Ours thanks to Ruth Bean for continuing to organize this event.

On March 19, we made cookies and note paper for the 8th Annual Sunshine Sale which was held on March 25. Homemade squash soup and sandwiches were available. The proceeds of \$200 were donated to the non-profit Sunshine Foundation. Our thanks to Ardentown resident Liz Resko and Barbara Fenske (475-7469) for organizing this event.

Coming up, on Saturday, April 8, at 7:15 you are invited to join in the next play reading group. The play selected is "The Importance of Being Earnest" by Oscar Wilde. Ruth Bean has copies of the play if you would like to read the play in advance.

On Sunday, April 9 from 1-2:30, we will be making and decorating Easter baskets for distribution to older residents of the three Ardens on the following Saturday. All are welcome to attend. Our thanks to Mary Vernon for overseeing this event.

On Saturday night, April 22, we are sponsoring a Teen Get-together. Please call Debbie Styles (475-7558), our Teen Programming Organizer, to volunteer to help or if you would like more information.

On Sunday, May 7, at the conclusion of the first day in ACRA's annual door-to-door fundraising, they will be holding a reception for the volunteers in Room 1.

And lastly, On Saturday, May 20, the Arden Archives is having an Arden Arts Day Exhibit.

We will be hosting our Annual Over 80's Party in early June. So please look for the date in a future Arden Page. All are welcome to attend; please call Debbie Styles if you would like to donate baked goods or h'or d'oeuvres.

We would like to start two new programs at the BWVC, an evening or afterschool Tutoring Program and an Afterschool Study Hall in Room 4. At this point, we are looking at the different ways to organize the programs. Your ideas on this are most welcome. For instance, the Tutoring Program might consist of a list of names of residents who are willing to help a child one-on-one either at the BWVC or in the home. The Afterschool Study Hall could be a place for 5th graders on up who need help with their homework. In the future, perhaps we could purchase an encyclopedia and have some research material there and maybe a computer. If you have ideas or would like your children to participate, please call Ruth Bean or Connee (475-0703). I will not be on the committee, but I will be helping to put together this program.

Hand-in-Hand Daycare and YMCA Afterschool

Hand-in-Hand continues to enroll new children. At this time, seven of the nine children enrolled are from the three Ardens. Hand-in-Hand has held two Open Houses and they are continuing to offer a discount to Arden residents. Our committee is continuing to talk to ACRA about ideas for helping ACRA adjust to two rooms this summer; we might purchase some picnic tables or shade coverings to allow for some programming out of doors and for protection in the toddler playground. Our hope is that Hand-in-Hand and ACRA will work well together. The Y Afterschool Program now has nine children also that are dropped by van from area elementary schools.

Maintenance and improvements

Numerous minor repairs continue at the BWVC, leaking faucets, tile replacement and the like. We are having a hallway storage unit built for ACRA using four of the old cabinets from Room 1. This summer we will be air conditioning Rooms 1 & 2; at this time, we are not sure whether it will be window units or a duct-type system.

Current use

Since the September Town Meeting, there have been 10 committee meetings, 8 community events, and 1 class held at the BWVC. Please call Ruth Bean ahead of time to schedule your meeting or event. We have had two occasions when doors were left open so please make the extra effort to check the window locks and all of the doors before you leave.

One more thing

Barbara Fenske is leaving Arden. A woman who gives quietly and unceasingly to not only our committee but the three Ardens as well. Her special gift is her continual work to involve new residents and broaden participation at events. We will scramble to fill the gap and will carry on, but do not think for a minute that she will not be missed.

Thank you for your continued support.

Respectfully submitted,
Connee McKinney, Chairperson

CIVIC COMMITTEE REPORT TO ARDEN TOWN MEETING
MARCH 27, 1995

Representative Wayne Smith sent us a letter and advised that there is DOT money available for worthy road capital improvements. We met with him on Tuesday morning March 14, 1995, at 7:00 AM at the Happy Days Restaurant on Silverside Road. We reviewed the proposed project with him and he seemed agreeable to it. It involves the raising of about four hundred more feet of curbstones on the south end of the Green at an estimated cost of \$6000. Our conversation was followed up with a letter to him confirming the details.

It may not seem so, but progress has been made on the field theater bench installation. Most of the lumber and hardware has been bought. Many of the more difficult-to-make pieces such as the legs have been cut and milled. The installation of completed sections will begin in April.

This has been a mercifully mild winter. Our spending on plowing and sanding has been to date only about \$1250. Although there is still time to have a March storm, each day that passes makes it less likely.

The significant Spring dates are as follows:

APRIL 8	—	WOODS CLEANUP
APRIL 12	—	SPECIAL TRASH PICKUP
APRIL 22	—	CIVIC COMMITTEE SPRING WALK-AROUND
MAY 6	—	MEMORIAL GARDEN CLEANUP

Let either Gene Shaw or myself know anything you particularly want the Civic Committee to see on our Spring Walk-Around.

Our trash disposer Arrow has been acquired by Harvey and Harvey. There has been no rate increase for several years. We await whatever is to happen .

**Community Planning Committee
TOWN MEETING REPORT**

3/27/95

- **Two events** have been set:
 - Woods Clean-up will be Saturday, April 8.
 - Memorial Garden Clean-up will be Saturday, May 6.
- We have begun talking with other groups (Arden Club, Civic, Safety, BWVC, & Planning) to resolve **parking problems on The Highway and Orleans during events**, to facilitate coordination of club and village center parking and to explore other areas where coordination would be beneficial.
- CPC will take another look at the **Old Pool** site on Sat., April 1 (10:00 am), to decide further action. Main question is whether walk-over, which is deteriorating, can be removed without blasting or doing anything on parts of dam in the water. Our idea here is to try to accomplish any required demolition & other activities there without incurring need for year in advance budgeting or special permits. Our basic goal originally was, and still is, to clear the site well enough that its historic use is not lost.
- We are hoping to computerize the **Memorial Garden** list of people buried in the Garden and their nearest relatives.
- We have begun discussing our contributions to the **Centennial Committee**, but we have delayed any action until we see what our new membership is.
